Welcome to this exclusive loft, right in the heart of Yaletown - the McMaster Building. Completely rebuilt by Townline Properties in 2007, retaining the facade, thus keeping it's heritage status. As a rebuild, the building has everything that you would expect from a contemporary build, such as, central A/C, seismically upgraded, parking for all units and storage lockers for most - all within the building. This suite is a 1328sqft, 2 bed/2 bath (with steam shower), complete with reclaimed red brick, beams and reclaimed fir flooring. The kitchen is finished with Miele appliances (including a Miele Coffee Station), SubZero fridge/freezer and Bosch washer and dryer. One parking included with the possibility of second parking.
